TICHFA AFRICA INC.

Tigawa International Children's Heart Foundation Africa

“Every Child Deserves a Healthy Heart.”

Charter of the foundation - its welcome, mission, vision, core values, goals and objectives.

Our Foundation

Welcome to Tigawa International Children's Heart Foundation Africa (TICHFA AFRICA INC.)

“Every Child Deserves a Healthy Heart.”

Welcome to TICHFA AFRICA INC., a charitable organization dedicated to saving children's lives by helping children born with congenital heart defects and other serious heart conditions access life-saving medical care, specialized treatment, and heart surgery.

At TICHFA AFRICA INC., we believe that every child deserves a chance to live a healthy, happy, and fulfilling life, regardless of their family's financial circumstances, geographical location, or access to healthcare.

Our foundation aims to bridge the gap between vulnerable children in Africa and specialized cardiac healthcare services through international medical partnerships, fundraising, sponsorships, and community outreach.

Our Mission

To save and improve the lives of children affected by congenital heart defects and other heart conditions across Africa by facilitating access to affordable, high-quality cardiac healthcare, life-saving surgeries, medical treatment, and family support.

We are committed to reducing financial and geographical barriers to specialized heart care by connecting children and families with qualified medical professionals, hospitals, donors, and humanitarian organizations worldwide.

Through compassion, collaboration, education, and advocacy, we strive to ensure that every child has an opportunity to receive the heart care they need.

Our Vision

To create an Africa where no child loses their life because of a treatable heart condition, financial hardship, or lack of access to specialized cardiac healthcare.

We envision a future where every child with heart disease has access to timely diagnosis, quality medical treatment, life-saving surgery, and ongoing cardiac care.

Our long-term vision is to build a sustainable network of hospitals, healthcare professionals, donors,

and community partners dedicated to improving pediatric cardiac healthcare across Africa.

Our Core Values

Compassion

Treating every child and family with dignity, kindness, and respect.

Integrity

Maintaining honesty, transparency, and accountability in everything we do.

Equity

Promoting equal access to life-saving cardiac healthcare regardless of financial background.

Collaboration

Building strong partnerships with hospitals, medical professionals, donors, and communities.

Excellence

Supporting high standards of quality and safety in children's cardiac care.

Hope

Giving children and families encouragement and opportunities for healthier futures.

Our Goals and Objectives

1. Life-Saving Heart Surgeries

Help eligible children access specialized cardiac surgery and treatment.

2. Medical Sponsorship

Establish fundraising programs to support treatment, transportation, accommodation, and recovery expenses.

3. International Hospital Partnerships

Develop relationships with specialized children's heart hospitals in Africa, the United States, India, and other countries.

4. Early Detection and Awareness

Promote education, screening initiatives, and timely referrals for congenital heart defects.

5. Family Support Services

Provide guidance and assistance to families navigating complex medical treatment.

6. Healthcare Capacity Building

Support training, knowledge sharing, and collaboration among healthcare professionals in Africa.

7. Community Outreach

Work with local communities to identify children who may need specialized cardiac care.

Join Us in Saving Little Hearts

Every child deserves the opportunity to grow, learn, play, and achieve their dreams.

With the support of compassionate individuals, healthcare professionals, businesses, and humanitarian partners, we can help make life-saving heart treatment more accessible to children in need.

Together, we can give children hope, healing, and a healthier tomorrow.
