Help Give Children a Healthier Tomorrow

Tigawa International Children’s Heart Foundation Africa (TICHFA AFRICA INC.)

The need

Children living with congenital heart defects and other serious heart conditions can face financial, geographic, and logistical barriers to timely specialist care.

Our mission

TICHFA AFRICA INC. aims to improve access to affordable, high-quality pediatric cardiac assessment, treatment, surgery, and family support across Africa.

Our vision

An Africa where no child loses their life because of a treatable heart condition, financial hardship, or lack of access to specialized cardiac healthcare.

Planned areas of impact

Pediatric cardiac referral navigation; surgery and treatment fundraising; family and medical-travel support; early-detection awareness; and responsible partnerships with qualified healthcare providers.

Ways to partner

Discuss program sponsorship, medical expertise, hospital referral pathways, fundraising, community outreach, and volunteer support. Specific contributions and program availability are subject to confirmation.

Our commitments

Child safeguarding, informed consent, medical privacy, clinical independence, transparency, and responsible donor stewardship.

Get in touch

For partnership and sponsorship inquiries, contact info@tichfa.org. No tax-deductibility or existing hospital affiliation is implied.

Every Child Deserves a Healthy Heart.
